

CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D. C. 20505

20 February 1976

Lieutenant Colonel James D. Everett
Secretary Air Force, [REDACTED]
Los Angeles AFS, California

STATINTL

Dear Colonel Everett:

I wish to thank you for the very informative and valuable briefings which you provided me and my staff last week. The opportunity to hear firsthand from the hardware builders and Program Directors has been of great value to me in understanding the many and complex programs which you and your coworkers so competently manage.

STATINTL

Very truly yours,

[REDACTED]

George Bush
